Thank you for your interest in learning more about BluPointe Software! We would like to give you the chance to use our service for **30 days for free**. No strings attached!

How secure is your data? If you don't know the answer to that question it could seriously be hurting you and your customers! Keeping your data secure and automatically backed-up is imperative to your business success. It is a small investment that pays off in big ways!

At BluPointe Sotfware we provide a top-notch, effective automatic back-up coverage package that can bring you peace of mind and keep your business running smoothly. Why choose BluePointe? It's simple:

- **Unmatched customer service.** We have a company-wide commitment to providing the best possible customer service. Your needs are an opportunity for us to provide solutions. We provide you with complete customer support that is easy to use, highly responsive, and ready to help you with practical solutions!

- **Effective back-up solutions.** We use the most advanced technology practices in order to keep your information safe and secure. Our data-security and data integrity are stored encrypted, doubly encrypted during transit, and are top-notch! Our business depends upon keeping your information secure, so we employ the best and most effective solutions there are!

- **Technology you can rely on.** Our business only works if it provides you reliability. We realize how important dependability is and aim to be the most trusted name in the business. We are there when you need us, quietly working in the background. Our infrastructure has been designed so that there is absolutely zero data loss!

- **Cost effectiveness.** Not having the right data back-up in place can cost you a lot! But it also shouldn't cost you a small fortune to have an effective back-up solution in place, either. At BluPointe, our software solutions are surprisingly affordable, cost-effective and the best back-up service for the money! With us, you get maximum value at minimum cost.

We invite you to try our service for **30 days for free**! We don't even want a credit card. Just try it for 30 days and see for yourself, just how reliable and easy it is to use our service is. Call us today to get started with your free trial offer at 800-580-9402.

Sincerely,

BluPointe Software
